Digital Animal Owner Certificate Portal

Digital Health Documents Simplify Animal Ownership

MyVetLINK provides instant online access to digital animal health documents including Veterinary Feed Directives (VFDs), Certificates of Veterinary Inspection (CVIs), veterinary prescriptions, Equine Infectious Anemia (EIA) test certificates and GoPass® equine six-month passports. Working with your veterinarian and diagnostic lab, MyVetLINK ensures that you will never be without access to your veterinary documents. Your digital documents are securely stored for instant online access. Just download and print your health certifications as needed.

Animal Owners Benefit from:

- ▶ Easy, online access to health documents from anywhere you have Internet access
- ▶ Clear, easy to read certificates with optional digital photos for improved animal identification
- ▶ Unlimited access to retrieve and reprint documents
- ▶ Standardized certificates approved to move animals in ALL 50 states
- ▶ Travel itinerary for GoPass® equine passports can be updated and submitted through MyVetLINK

FIND-A-VET

GlobalVetLINK's Find-A-Vet resource allows animal owners to quickly find a veterinarian in their area who offers digital services such as VFDs, CVIs and EIA (Coggins) test certificates. Visit GlobalVetLINK.com and click on "Find A Vet" in the resource center. Then, enter your zip code to find the GVL veterinarians closest to you.

Account Setup

- 1 - Go to www.myvetlink.com
- 2 - Click on the Sign Up option in the upper right hand corner and choose Animal Owner/Agent.
- 3 - Enter your email address (Owners must use the same email address you give your veterinarian).
- 4 - Enter a password of at least 8 characters.
- 5 - Read and agree to the Terms of Service.
- 6 - Click Register.
- 7 - Go to your email where you will find an email from GlobalVetLINK. Click on the link in the email to verify your account.
- 8 - Enjoy 24/7 access to your animals' GVL certificates.

Using Your Account

Animals - See a list of animals and animal groups your veterinarian has entered for you and access certificates directly from each animal/group record.

Agents (Option for Animal Owners only) - Connect your animals to their appropriate Animal Agents (trainers, stables, truck drivers, etc).

Certificates - Access PDF documents including eCVIs, eEIAs and GoPass.

Itineraries - Enter detailed trip information to complete the requirements of GoPass itineraries.

Your veterinarian is proud to partner with GlobalVetLINK in their mission to provide the best possible service to clients and improve animal wellness and safety. If you have questions about your MyVetLINK account, contact the GlobalVetLINK support team or your vet.
